

Go NYS Thruway to Amsterdam exit 27. Go right onto Route 30 North. Cross bridge over the river....you'll see the park on the right. Go through light at end of bridge and enter parking driveway on right (opposite Post Office and immediately before Presbyterian Church). There is a Riverlink Park sign. Take the very next right up ramp to the upper level of parking lot. Keep right and go around periphery of the lot to far end. There is a pedestrian bridge over the highway to the park. An elevator is available at the park end of the bridge.

For GPS or mapping purposes, use the United Presbyterian Church address: 25 Church Street, Amsterdam.

Sorry, but directions using other entry highways (Route 5, Route 67, Route 30 from North) are much too convoluted to articulate here.

Thanks!
